WELCOME

The Brookfield United Methodist Church (BUMC) located across from the Brookfield Green, is a community church for those seeking warm fellowship and Spirit-led worship. Our mission is to help others develop a relationship with Jesus Christ and to answer his call to serve those in need in our community. Please feel free to stop by, call or e-mail me with any questions you may have regarding worship, activities, education, groups, youth ministry, Bible study, outreach programs or the United Methodist Church. Information is also available on our web site and our Face Book page. Please visit, join us for worship, or attend our other activities. I look forward to meeting you!

OUR MISSION

The Brookfield Church is a community church. We are called to reach out to our neighbors with the good news of Jesus, to serve those in need, and to reflect the love and light of Christ in our community. All are welcome to worship and serve with us.

Our outreach missions include serving the Brookfield schools with books, supplies, winter clothing and other student needs; providing food for those in need; and children and youth ministries.

Our ministry is growing and there is much to do in our community – please join us!
